DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**

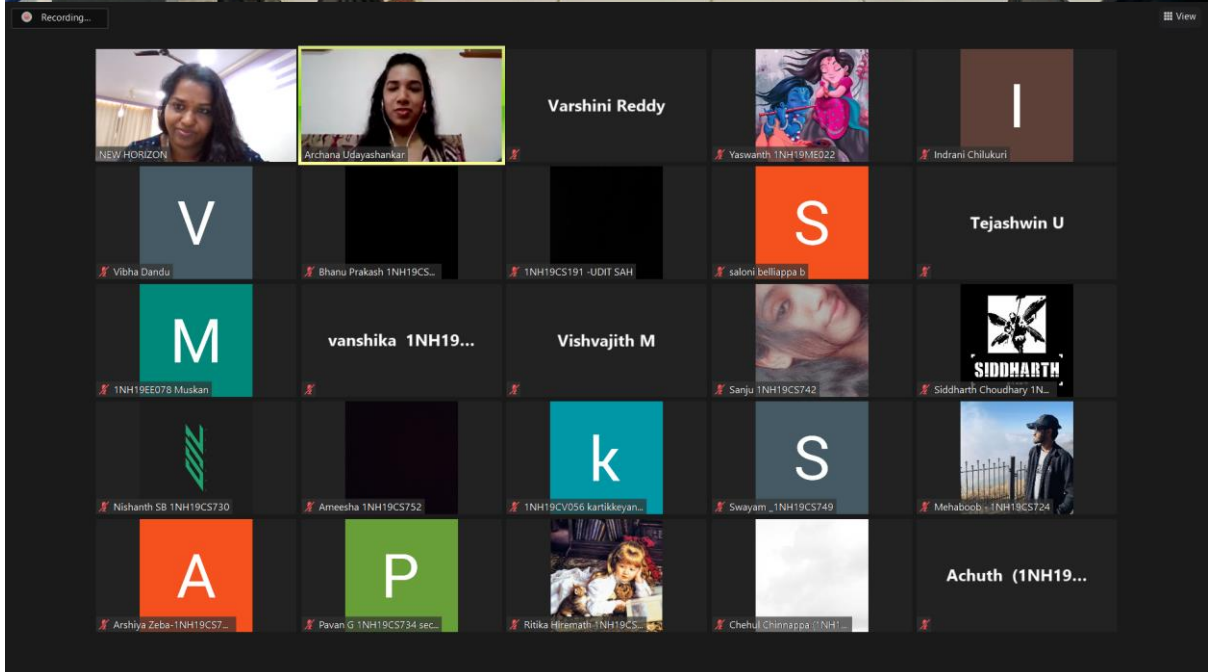

**REPORT ON ALUMNI TALK**

Department of CSE in association with CSI Student chapter organized Online ALUMNI TALK ” on 26<sup>th</sup> September 2020 from 10AM to 12PM. The event comprised of 2 sessions – one for 3<sup>rd</sup> semester students and another one for 5<sup>th</sup> semester students. The invited alumni speakers for the event are:

1. Ms. Archana Udayashankar – Currently working as Business Systems Analyst at VMware Software India Private Limited. She was the speaker for the first session addressing CSE 3<sup>rd</sup> Semester students on the topic “Demystifying Campus to Corporate” from 10-11AM. Over 80 students from 3<sup>rd</sup> semester joined the meet. The session was really interactive where students were eager to know about the challenges their seniors faced while transitioning from campus to corporate life.
2. Mr Dilish Babu J- Currently working as Verification and Validation engineer at Veonner India Pvt Limited, Bangalore. He was the speaker for the second session addressing CSE 5<sup>th</sup> Semester students on the importance of Software Testing. 100 students from different sections of 5<sup>th</sup> semester joined the meet. The session was really interactive where students were eager to know about the challenges their seniors faced while transitioning from campus to corporate life.
