Brief Description	Department of CSE in association with CSI Student chapter organized Online ALUMNI TALK " on 8th May 2021 from 11AM to 12PM. The invited alumni speakers for the event was Mr Brijesh K R. He graduated from NHCE in the year 2017 and currently working as Senior Software Engineer in Happiest Minds Ltd. He addressed the 6th semester students and guided students with tips to face placement drives and the mandatory changes as they move from campus to corporate. Over 40 students from 6th semester joined the meet. The session was interactive where students were eager to know about the challenges their seniors faced while transitioning from campus to corporate life. The speaker gave an insight on the expectations of companies and how to develop the skills required for the same.
