We at Cerner Healthcare Solutions India Private Limited ("Cerner") are impressed with you and your credentials are pleased to inform you that you have been selected to participate in an internship with Cerner, contingent upon receipt of a satisfactory outcome of a background check and execution of an Internship Agreement.

We are pleased to offer you a monthly stipend of Rs. 22,000/- (Rupees Twenty-Two Thousand Only) during the internship.

Based on our discussions with you at your college during our campus visit, we also believe that you would make an excellent full-time addition to our organization. Therefore, I am also pleased to extend an invitation of full-time employment as a System Intern with our company, contingent upon your satisfactory performance and conduct during the internship.

This offer is contingent upon receipt of a satisfactory outcome of a background check.

After successful completion of the internship, your Full-Time Offer CTC would be in the range of Rs.5,60,000 to Rs.6,20,000 per year.

Please sign and return a copy of this letter confirming your acceptance of our offer.

Sincerely,

Mohit Sadarangani
Recruiter, India Recruitment

ACCEPTANCE
By signing this letter, you agree to and accept the terms and conditions of employment as an Intern with Cerner Healthcare Solutions India Private Limited. Please sign and return the letter to your recruiter. You must also electronically acknowledge this Invitation of Employment through your Cerner Careers account. You will receive an official copy of the Internship Agreement with your new hire paperwork, which must be signed on or before your first day with Cerner.

This is to certify that **Mr. Surya G J**(regno:**1NH17CS129**) final year **Computer Science and Engineering** Department of **New Horizon College of Engineering**has successfully completed his internship program of fourmonths with **NextElement Private Limited**from15th March 2021 to 14th July 2021. He was working on the project titled **"SchoolElement"** and was actively & diligently involved in the projects and tasks assigned to him. During this tenure, he worked on these modules – Timetable management, Lesson Planning, Student Observation, Leave module and 'Roles and Privileges', bug fixes and enhancements. During the span, we found him as a quick learner with good analytical skills. He grew in proficiency in coding and Web application development using the LAMP stack.

NextElement is anEducation start-up working on providing a technology platform for pre-schools, schools and colleges to empower them to run their day-to-day operations efficiently and accurately. The start-up is in business from 3 years and has about 100 schools as clients and have received testimonials from multiple schools for the product and support provided.

We are very happy to have got an opportunity to employ Mr. Surya G J as an intern at NextElement Private Limited. Please feel free to contact us for any clarifications.

As part of your communication training you underwent industry standard language pre-assessment at the beginning of your training. Post the Language interventions, you hav the training.
The desired English Language competency is for you to be at the Intermediate category

Please refer to the table below to understand on the different levels of assessment scores and its mapping to the desired Language competency Category – the Advanced level to move to before you complete your Year 1 with Cognizant (which would be 12 months from your date of joining Cognizant as full time employee).

It is important for you to put in efforts and move a minimum of one level from your current state before you join us back. To help you achieve this level movement, we are pro through which you can continue with the skill building and utilize the time in hand between your internship completion and till you join us back.

Request you to go through the courses to ensure the minimum language readiness that is expected from you at the time of joining Cognizant as full time employee.

Industry Standard Assessment Level	Assessment score	Correlation toCEFR Proficiency (Industry Standard Assessment)	Desired Category
Basic/Beginner	0 - 120	A1 Low	Newbie
level 1	121 - 240	A1 High	Newbie

Dear Shashikumar,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for **a period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.
Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.
Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.
You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.
The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.
Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.
Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship**.**
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.
You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

To: <mahe4334@gmail.com>

Dear Mahesh,

I am Ajo John, Co-founder of Madlabs Inc. I am extremely delighted and happy to extend an internship offer for the period of **45** days starting from **29 March, 2021 to 12 May, 2021**. Madlabs being an open source company values folks who put their time and dedication in making contributions to open source software. During this course of internship you will be making contributions to some of the known open source projects and learning the web more deeply. Rewards will be purely based on the number of contributions and there will be no **regular/monthly stipend**.

Once again I welcome you and hope you have a great learning experience building some cool stuff. If you have any query, please do not hesitate to contact me.

So to get started I request you to join our exclusive slack channel.

Dear Reshma,

I am Ajo John, Co-founder of Madlabs Inc. I am extremely delighted and happy to extend an internship offer for the period of **45** days starting from **29 March, 2021 to 12 May, 2021**. Madlabs being an open source company values folks who put their time and dedication in making contributions to open source software. During this course of internship you will be making contributions to some of the known open source projects and learning the web more deeply. Rewards will be purely based on the number of contributions and there will be no **regular/monthly stipend**.

Once again I welcome you and hope you have a great learning experience building some cool stuff. If you have any query, please do not hesitate to contact me.

So to get started I request you to join our exclusive slack channel.
