ALUMNI TALK – EVENT REPORT

Name of the Event	ALUMNI TALK
Date	27th June 2024
Beneficiary	6th semester CSE students
Write up	Department of CSE along with Alumni association had organized an "ALUMNI TALK" on 27th June 2024 from 11am to 12pm. The invited alumni speaker for the event was Ms.Bhavana V, graduate of 2022 batch. She worked as software developer at Cerner. She is currently working as software engineer at Clinisys.
	She highlighted the significance of understanding underrated engineering concepts which offers numerous benefits that can significantly enhance a professional's capabilities and career prospects.
	The key topics included methods to improve technical skills and techniques for adopting a holistic approach to engineering.
	Attendees engaged in interactive discussions, exchanging experiences with the speaker.
	This event fostered a sense of community and peer learning among students and encouraged ongoing mentorship and support. More than 280 3rd year students of CSE department have attended this event.
