Title	**CODING CONTEST**	
Department	**CSE, ISE, MCA & AIML**	
Date	**30th JULY 2024**	
Time	**03:00PM**	**04::00PM**
Event Report	The CSI-NHCE Student Chapter held the coding contest finals and a felicitation ceremony for the winners on 30th July. The event was graced by the presence of the chief guest, Mr. Karthikeyan, Project Manager at Capgemini. This contest was specially organized for the 4th semester students of Computer Science and Engineering (CSE), Information Science and Engineering (ISE), and Artificial Intelligence and Machine Learning (AIML), as well as the 2nd semester students of the Master of Computer Applications (MCA) program. The first two levels of the contest were conducted at the departmental level, while the final round was an interdepartmental competition. The first round, held within each department, featured simple coding questions. Approximately 50 to 60 students participated in each department. From these participants, 15 to 20 coding enthusiasts advanced to the next level, which involved solving medium complexity problems in teams of two. In the end, 4 teams from the CSE department, 3 teams from the ISE department, 3 teams from the AIML department, and 3 teams from the MCA department were selected for the finals. The final round, featuring these interdepartmental teams, was conducted on 30.07.24 at 10:00 PM in CSE department Lab 2. The first prize of Rs. 5000, the second prize of Rs. 3000, and the third prize of Rs. 2000 were awarded to the winners of the contest along with the certificates.
