Department of Computer Science and Engineering

Event Report

Title	Social Outreach Program on the topic "Concepts of Computer science in everyday life"	
Department	Department of Computer Science and Engineering	
Date	From: 23rd November 2024	To: 23rd November 2024
Time	From: 02.00 PM	To: 04.50 PM
Brief Description	<p>Ms. Yogitha and Mr. Bhaskar S.V., along with 21 fifth-semester CSE students, visited Makala Dhama in Bettakote, Devanahalli, Bengaluru, to conduct a session titled "Concepts of Computer Science in Everyday Life." The session was attended by 80 students aged 8 to 14, who greatly benefited from the program.</p> <p>The Social Outreach Program aimed to raise awareness about the significant role of computer science in our daily lives. It focused on educating students about foundational concepts such as algorithms, programming, data structures, and artificial intelligence, demonstrating how these principles are integrated into everyday technology. Through interactive activities, participants learned how computer science powers devices like smartphones, social media platforms, and household appliances. The program also highlighted the practical applications of computer science in various sectors, including healthcare, transportation, and entertainment, helping students gain a deeper understanding of the digital world and inspiring them to explore careers in technology.</p> <p>The session featured engaging games and concluded with a prize distribution ceremony to encourage participation and recognize the students' enthusiasm and efforts</p>
