

Name of the Event	ALUMNI TALK
Date	21 st March 2025
Beneficiary	4 th semester students
Write Up	<p>The Department of Computer Science and Engineering, in collaboration with the Alumni Association, organized "ALUMNI TALK" on March 21, 2025, from 11:00 AM to 12:30 PM. The guest speaker for the event was Mr. Abhay Nagraj B R, Lead Software Engineer, J.P. Morgan.</p> <p>The session revolved around the theme "Computer Vision and Its Quantized Nature," highlighting its significant benefits in enhancing professional capabilities and advancing career prospects. Mr. Nagraj shared insights into understanding the quantized nature of computer vision, its operational mechanisms, and adopting a holistic approach to engineering for improved learning speed and memory amplification.</p> <p>The event featured interactive discussions, with Mr. Nagraj engaging with participants online to explore practical applications of these concepts. Over 90 fourth-semester CSE students actively participated, gaining valuable knowledge and skills.</p> <p>This session fostered confidence among attendees, encouraging them to embrace mentorship and continuous learning. The event proved to be enriching, leaving a lasting impact on the students and empowering them to excel in the IT industry.</p>
