### Event Report

<b>Title</b>	Social Outreach Programme on the topic, “ Power of Positive Thinking and Teamwork ”	
<b>Department</b>	Department of Computer Science and Engineering	
<b>Date</b>	<b>From:</b> 14 <sup>th</sup> March 2026	<b>To:</b> 14 <sup>th</sup> March 2026
<b>Time</b>	<b>From:</b> 01:30 PM	<b>To:</b> 03:30 PM
<b>Brief Description</b>	<p>The Department of Computer Science and Engineering organised a Social Outreach Programme on “Power of Positive Thinking and Teamwork” on 14th March 2026 at Jeevandeep Makkala Kendra, Adhyatma Vidya Peetham, Carmelaram Road, Bengaluru. The programme aimed to create awareness among students about the importance of maintaining a positive mindset and developing teamwork skills for personal growth and social responsibility.</p> <p>The event began with a brief introduction about the purpose of the outreach activity and the role of students in contributing to society. The coordinators explained how positive thinking helps individuals overcome challenges, build confidence, and maintain emotional well-being. Students were encouraged to adopt optimistic attitudes in both academic and personal life.</p> <p>During the discussion session, several real-life examples were shared to illustrate how teamwork plays a crucial role in achieving common goals. The speakers emphasised that collaboration, communication, and mutual support are essential elements of successful teamwork. Students were also asked to share their thoughts and experiences about working in teams during academic projects and social activities.</p> <p>Interactive activities were conducted to help students understand the practical importance of teamwork. Small group discussions allowed participants to express their ideas on problem-solving, leadership, and cooperation. These activities helped students realise that working together with trust and respect can lead to better solutions and stronger relationships.</p> <p>The session also highlighted the importance of community engagement and social responsibility. Students were motivated to participate in outreach activities and contribute to the welfare of society through volunteering, awareness programmes, and educational support initiatives.</p> <p>The programme concluded with a summary of key points discussed during the session. Students expressed their appreciation for the opportunity to interact and learn about positive thinking and teamwork in a real-world context.</p>	

The outreach activity successfully created awareness about the value of cooperation, positivity, and community involvement among the participants.

The event was coordinated by Mr. Bhaskar S V, Ms. Yogitha, and Ms. Neha Jadhav. The programme was conducted under the guidance of Dr. B. Rajalakshmi (HoD – CSE), Dr. Asha Joseph (HoD – CSE/CE), Dr. Vandana C P (HoD – CSE/ISE), and Dr. R. J. Anandhi (Dean – Academics).

Overall, the Social Outreach Programme was a meaningful initiative that encouraged students to develop a positive outlook, strengthen teamwork abilities, and understand their role in contributing to society.
