

<b>Name of the Event</b>	Alumni Talk
<b>Date</b>	17 <sup>th</sup> April 2026
<b>Beneficiary</b>	4 <sup>th</sup> Semester students
<b>Write Up</b>	<p>The Department of Computer Science and Engineering, in association with the Alumni Association, organised an Alumni Talk on 17 April 2026 from 12:00 PM to 1:00 PM. The invited speaker for the session was Ms. Harshavardhini U, Data Engineer at JLL Technologies.</p> <p>The session offered valuable insights into the skills and mindset required to excel in placements and professional environments. The speaker emphasised the importance of developing strong technical foundations alongside essential soft skills such as communication, teamwork, and problem-solving.</p> <p>Students were guided on effective strategies to approach aptitude tests, technical interviews, and HR rounds with greater confidence and preparedness. Practical advice on resume preparation, portfolio development, and maintaining a professional online presence was also shared to enhance employability.</p> <p>In addition to placement preparation, the talk addressed real-world workplace challenges, including adapting to dynamic environments, managing pressure effectively, embracing continuous learning, and maintaining a healthy work–life balance. Through sharing her personal experiences, the speaker provided students with a realistic understanding of corporate life, career progression, and professional expectations.</p> <p>Overall, the session was highly informative and inspiring, encouraging students to focus not only on academic excellence but also on holistic development to enhance their employability and readiness for future career opportunities. More than 60 students from the 4th semester of the CSE department attended the session and benefited from this engaging and insightful event.</p>
